USZODA ÉS SPORTKÖZPONT

Dear Parents,

Please read this leaflet about our swimming teaching system that we apply at MOM Sport.

Due to the previous experience we tried to create a system that can be easily adjustable to family life and takes into account children's everyday activities and school breaks. During the creation of our system the main aspect was to take into consideration children's development. Our swimming instructors are highly qualified; many of them hold a masters degree in sport science. We can offer swimming teachers who speak English and other languages too so many classes are available not only in Hungarian but also in other languages.

The aim of our swimming teaching system is to enable children to deepen their swimming skills and be more confident in water. After mastering children's swimming skills there is an opportunity for them to choose other sports like synchronised swimming, water polo, competitive swimming, pentathlon or triathlon.

GROUP LESSONS

A lesson takes 45 minutes (40 minutes swimming, 5 minutes play time). It is worth arriving 20 minutes before the start of the lesson to enable children to get changed in a relaxed and comfortable way (no rush please!). You have also 20 minutes to get ready after the lesson because the next group needs to get changed too. In the interest of our high-standard swimming teaching and children's safety the instructors deal with max. 6-8 children in the beginner groups and max. 10-12 children in the advanced groups.

Time of our group lessons: 4 pm, 4.45 pm, 5.30 pm and 6.15 pm (weekdays); 10.30 am, 11.15 am on Saturdays. Large families can bring all their children at the same time because we offer lessons on all swimming levels in every 45 minutes.

TERM TIME SWIMMING CLASSES

Term time swimming courses are 4 weeks long similarly to other swimming schools (see the table with all the dates below). It was important to create a term time swimming courses system in order to ensure high standard swimming teaching and proper development. As you can see it in the table below there is going to be many events like open classes for parents, in-house swimming competitions and school breaks. You are going to be informed about the upcoming events in e-mails; so please do not worry and keep in mind the dates!

In this term time swimming courses system it is possible to come to swim once, twice or 3-times a week from Monday to Saturday. **If you choose the 3-times option you can come to swim on Monday-Wednesday-Friday or on Tuesday-Thursday-Saturday.** If you choose to swim twice a week you can come on Monday-Wednesday, on Monday-Friday or on Wednesday-Friday OR on Tuesday-Thursday, on Tuesday-Saturday, on Thursday-Saturday.
